

Technical Rider

BLAAS of GLORY

General

Length: 3 x 20 minutes
(+ 2 X 5 minutes as a marching band coming and going to the performance spot)
Audience: 400 persons
Team: 9 persons

We take 5 to 10 minutes as a marching band to get to the performance spot.

Space

- BLAAS of GLORY can create its own performance space on a square.
- If on a stage we need 8 meters wide and 6 meters deep
- The show can also be performed indoors and 'plugged' as a 40 - 70 minutes concert. (please, ask for the details)

Sound & power

- For the original street act we need no electricity or sound set.
- If needed, we can bring our own sound system for a 'plugged' stage set.
- We need two available power points near the performance area, to charge out batteries.

Backstage

- We need a space where we can warm up and change near the performance area.
- 9 chairs, mirrors, water, and a safe place for our instruments.

Transport & Parking

- We come with a big size van, we need parking space close to the performance area.
- We are able to fly with our instruments if a Transfer from the airport can be arranged.

Set up/Break down

- The van must be able to access the backstage area for unloading.
- We need 1 hour to set up.
- We break down in 1 hour. Including loading the bus this will take 1,5 hours.

Hotel

- If an overnight is agreed, we ask for 9 single rooms.
- In case of a one night stay, other room arrangements (6 twins) can be possible.
