

Nieuw Lef

Technical Rider The Funny Freak Show

General

Length: 13 minutes - max 14 shows per day (2x 2 hours with a break)

Audience: 350 visitors and a lot of people around with a smile.

➡ Team: 1 of 2 persons

Space

☐ Ideally 8m wide x 6m deep (3m high) surface (Consult us if you have any doubts please).

➡ We will create a 'front garden' with a rope.

☐ We prefer a quiet background.

☐ In case of rain we continue performing.

Electricity, light & sound

☐ We need 16A, 220v, 1600W.

☐ When performing at night we ask the festival to take care of lighting. Please contact us for details.

➡ We do not need a sound set.

➡ We do not need water.

Backstage

➡ We do not need a backstage space.

Set up / Break down

☐ We travel with a minibus and a caravan and need to be able to reach the performance area.

☐ We need a parking place for the minibus during the performances.

➡ We need 2 hours for setting up.

➡ We need 1,5 hours to break down. (a bit more with lighting)

Hotel/meals

☐ If an overnight is agreed, depending on the team we need a single or a double room.
Both are carnivore.
