

Technical rider

BeeP-PieP-BiP

Waterlanders

General

- Length: 23 minutes
- 6 performances/day (max. 8).
- Start every half hour.
- Max 4 performances in a row.
- Public: 50 persons per performance.
- ☛ Age 6+
- ☛ We can play until sunset
- ☛ Not accessible for wheelchairs
- ☛ Team: 4 persons

Location

- A forrest or a park with a group of trees
- A quiet urban environment
- A deserted factory
- A train yard
- ☛ **We prefer to do a site inspection beforehand**
- ☛ We adapt easily to the chosen location

Electricity, lighting & sound

- ☛ We do not need electricity
- ☛ We do not need lighting
- ☛ We do not need sound

Dressroom

- We need a space to store our equipment and to change.
- We need electricity in the dressroom.

Build up/break down & transport

- ☛ We need 1 day for building up and we can start playing on the afternoon of the 2nd day.
- ☛ We prefer to arrive 2 nights before the first performance.
- ☛ Break down takes 4 hours and must take place during daylight.
- We travel with 2 cars and need parking near the location.
- The cars must be able to access the location for unloading and loading.

Hotel

- We ask for 4 singles or 2 twins (separate beds).
