

## TECNICAL RIDER

# ROMEO&JULIET!

### General

Outdoor (indoor is possible)  
Length: 50 minutes  
Audience: 10+ 300 persons  
Max: 2 shows per day  
Min: 0h45 between shows  
Team: 2 or 3 persons

### Space:

- Minimum 8x8 meters
- Quiet background
- Quiet or closed area is preferred.
- Preferably grass, alternative can be wood or hard floor (no gravel).
- We can bring seating for 120 audience in different levels, only on one side
- Best to be in the same level as the audience, and not on a stage, since we are in direct contact with the audience.

### Sound and Light

- We need 220 volts for music
  - We need or we bring 2 active speakers we can connect to each other, and preferably put inside the wheelbarrow.
  - If we perform in the evening we need power for lighting.
  - We need simple light to cover the stage. (one setting, no light cues)
- In daytime, we do not need light.

### Props to be arranged by the organizer:

- Two wheelbarrow (strong enough to carry a person)
- One shovel
- one rake
- 3 bags of soil (10 - 20 kg in each)
- one wooden cross (look at picture) approx 80-100 cm long (in case we don't perform on grass we need a bucket with soil to "plant" the cross)
- We bring all smaller props

### Building and Breaking down

- Setting up: 2h30
- Breaking down 0h30
- We ask for one or two helpers for 30 minutes at the arrival at the site, and for dismantling the stage.
- We need access to water.

# ASTERIONS HUIS

## Backstage

- We like to have 2 chairs and a mirror, fruits, water, a toilet and a shower.

## Hotel and Meals

- In case of an overnight stay we ask for 2 rooms.
- ☛ We are omnivores with no diets.
- ☛ Please note that we like to eat light before the show and we need calories after the show.

## Travel

- We can travel by minivan and bring all we need. (seating, sound, light, cabling and props)
- We can come by plane or train and bring only the smaller props in a suitcase.
