

Technical Rider Fisura

General

Length:	45 - 50 minutes
Public:	250 persons
	All ages
Maximum:	2 shows per day
Minimum:	2 hours between shows
Team:	2 persons

Space

- Street or grass space (No stage). 10 X 10 metres.

Sound, light & Technique

- Adequate sound set with wireless microphone.
- In case of an evening show we ask for a general lighting for stage and audience.
- We need: 5 white buckets (10 litre) with cover.
- We need: Access to water near the performance area to fill balloons with water.
- We need: A small car with mini-jack or wireless Mp3 connection and room to fit 5 buckets.
- We need: 1 person for the sound and 2 persons to facilitate access of the car.

Backstage

- We need: a space where we can warm up and change near to the performance area.
- We need: 2 chairs and 1 mirror, a toilet and showers, fruits and water.
- We need: a place where we can fill the balloons with water.

Set up/Break down

- We need 1 hour to investigate and prepare the space. Breaking down takes 15 minutes.
- The performance area will be wet after each show. (water wiper, broom)

Hotel & Meals

- If an overnight is agreed, we need two single rooms.
- We are both carnivores with no diets
- We like to point out that we prefer eating light some time before the show and we need calories after the show.

Travel

- We travel by plane, train or car with 23kg extra luggage.
