

Technical Rider

Actic Airlines

6 persons from the audience are invited to make the flight of their life on a small ecological footprint with an immense on-board service.

General	Team: 2/3 persons Mobile act.
Audience	Suitable for all ages
Times	2 X 30 minutes / 3 X 20 minutes (more is possible, please consult us)
Space	We don't like mud, gravel and sand, but do well on any pavement or other solid surface. We have a range of around 8 km.
Power	When we perform more than 1 day we need electricity near the back stage to charge our plane
Backstage	We need a space where we can warm up and change near the performance area. We need 2 chairs, a mirror, water, and a safe place for our materials.
Transport & Parking	We come with 1 minibus and we need parking space close to the performance area.
Set up & Break down	The car must be able to access the backstage area for unloading. ➤ We need 1 hour to set up. ➤ We break down in 1 hour.
Meals	➤ We are 2 vegetarians (if 3 + 1 carnivore.)
Hotel	If an overnight is agreed, we ask for 2 (or 3) single rooms. In case of a one night stay, other room arrangements can be possible.
Adverse weather	Actic Air cannot perform in rainy and windy conditions. We are happy to reschedule our shows around the day.
Safety & insurance	Our object is regularly tested, both electrical and mechanical. Our vehicle is insured and APK-ed and drivers are insured. Actic holds a public liability insurance. Audience / performer safety is considered at all stages of development, transport and performance.
