

TECHNICAL RIDER

Pan~// Catwalk

GENERAL	A serial performance about identity, gender and diversity
LANGUAGE	none
AUDIENCE	All ages / 300 persons
DURATION	45 min. / 90 min. / marathon version (challenge us!)
BETWEEN SHOWS	min. 2 hrs
TEAM	4 persons (2 performers, 1 musician, 1 technician/producer)
SPACE	A long stretch of road / path / bridge / theatre of at least 3,5m long (the longer, the better). We need min. 6,5m width. No dance floor. Cool backdrop wanted. The audience should only be sitting at the end of the path, not on the sides and not behind us. This is important for the visual impact. The more layered the seating, the better. Think benches/gradins/cushions/carpet
POWER	2x220V
SOUND	1 PA + 1 soundmixer with at least 2 channels + 1 monitor speaker + 2 D.I. boxes + 1 microphone (for a speech at the end of the performance). The music has deep basses, so subs would be great. The better the boxes, the richer the sound. Please don't forget the monitor speaker for the musician as the music is made live and he needs to be able to hear what he's doing. Thank you!
LIGHT	If we perform at night we need 6 stands with each 2 warm white spots and 1 colored spot on the musician.
SECURITY	All the equipment from the festival needs to be monitored by the festival during breaks and at night. We take care of our own equipment.
BACKSTAGE	We need a secure backstage at walking distance from the performance area. We need to be able to store the clothes (40 boxes!) at ground level (or there should be a lift). Thank you for supplying us with 4 chairs, a mirror, sufficient water. Fruits are greatly appreciated.
GET-IN & GET-OUT	45 min. version: 2 hrs build up, 1,5 hrs breakdown. 90 min version: 3 hrs build up, 2 hrs breakdown.

WEATHER	We cannot perform in heavy rain and wind or in temperatures under 10 degrees or above 40 degrees. In case of the possibility of (light) rain, we ask the organiser to supply an easy-up (small tent without side walls) for our musician. We need dry storage for our clothes and instruments in between shows on location (tent?)
TRAVEL & PARKING	We travel with 1 minivan (height 1,95m). Our car must be able to access the performance area. Please arrange for a free parking space nearby.
HOTEL & MEALS	If an overnight is agreed we need 2 single rooms and 1 double. We are all vegan.
EXTRA INFO	We ask 2 T-shirts from the festival (man size M and woman size S of XS) with the logo of the festival. We use it in the show.
