Miracle Lab

(version Jezus or version Brahman)

General
Duration: 3 hours maximum (2x1,5 hours with break)
Audience: 1 visitor per minute and lots of people around with a smile.
☛ Team: 1 or 2 persons

Space
❑ Idealy 8 meters wide and 6 meters deep and 5 meters high, flat level terrain. (call us if you have doubts)
☛ We will put a fence around the place.
❑ We prefer a quiet background.
❑ We do play if it rains.

Power, sound and light
❑ We need 16A, 220v, 3000W.
❑ If we play in nighttime we ask to take care of enough light on the site.
☛ We do not need a sound set.
☛ We do not need water.

Backstage
☛ We do not need a backstage.

Building up and down
❑ We travel with a minivan and caravan and want to be able to reach the performance place.
❑ During performing we like to park our minivan.
☛ Building up 2 hours.
☛ Building down 1h30. (without lighting)

Hotel/Meals
❑ In case of an overnight stay we ask for a single or double room, depending on the team. Both are all-eaters
