Technical rider
Mirlens Mad Ride

General
Length: max 3 hours with a break
Audience: 2 visitors per 2 minutes and a lot of people around with a smile.
☛ Team: 1 or 2 persons

Space
❑ Ideally 8m wide x 6m deep x 4m high, flat surface (plse contact us if you have any doubts).
☛ We will create a 'front garden' with a rope.
❑ We prefer a quiet background.
❑ We play even when it rains.

Electricity, light & sound
❑ We need 16A, 220v, 1000W.
❑ When performing at night, we ask the festival to take care of the lighting. Plse contact us for the details.
☛ We do not need a sound set.
☛ We do not need water.

Backstage
☛ We do not need a backstage.

Set up/break down
❑ We travel with a minivan and a caravan and need to be able to reach the performance area.
❑ We need a parking space for our minivan during the performances.
☛ We need 2 hrs to set up.
☛ We need 1,5 hrs to break down (and a bit more if there's lighting).

Hotel/meals
❑ If an overnight is agreed, depending on the team we need a single or a double room. Both team members are carnivores.
