Technical Rider

BOAT

compagnie DaaD

General	Team: 2 persons Stop & go act.
Audience	Suitable for all ages
Times	2 x 30 minutes (3 shows are possible, please consult us) Minimum 1 – max. 1,5 hours between 2 shows
Space	We don't like hills, mud, gravel and sand but we do well on any pavement or other solid surface. We have a range of about 250-500m. The boat is 3m long and 1,5m wide (3m with the paddles).
Power	When we perform more than 1 day, we need electricity near the backstage to charge the batteries on our boat.
Backstage	We need a secure space where we can warm up and change near the performance area. Please provide us with 2 chairs, a mirror, water.
Transport & Parking	We travel with 1 minivan and a trailer (3m) and we must be able to reach the performance area with the van. Please provide us with a parking space close to the performance area.
Set up & break down	Our van must be able to reach the backstage for unloading. ☛ We need 1 hour to set up. ☛ We need 1 hour to break down.
Meals	☛ We are 2 vegetarians.
Hotel	I fan overnight is agreed, we ask for 2 single rooms.
Adverse weather	BOAT can perform in rainy and windy conditions (up to 6bft). If the show cannot play, we are happy to reschedule around the day.
Safety & insurance	Our boat is regularly tested, both electrically and mechanically. DaaD has a liability insurance. Audience safety and the safety of our performers is considered at alle stages of development, transport and performance.
